

Program / Residential Application Important Information

People who choose to enroll and actively participate in the WAGEES program are eligible to receive services such as; Employment Preparation and Placement, Work Clothing and Tool Assistance (pay for clothing/boots/shoes required by employer or clothing for interviews, also for small tools required by employers) Mentoring, Identification Acquisition (i.e. fees for Driver's License, Birth Certificate, etc.), Vocational Training Cost Assistance, Transportation Assistance (bus passes or tickets to help attend work and WAGEES activities), Gang Disengagement, Medical Benefits Acquisition (medical and mental health), Housing Assistance (limited housing rent), Family Reunification/Parenting, Education Assistance (fee for classes and books) and more. If someone is only seeking transportation or housing assistance without the other services then the WAGEES program is not for them. The only eligibility requirements are; (1) that you currently be on parole and (2) you fall into medium or high risk on the LSI.

Applicants to the residential program must not be applying or intend to apply for social security/disability as this is a "go to work" program.

I have read and understand the above information about The Rock Found residential program.
